### About Coronet Peak

The FIS Australia New Zealand Cup events will take place at Coronet Peak which is a world class ski resort with extraordinary views of Queenstown and the Wakatipu Basin. Coronet Peak is home to some of the most diverse terrain in the Southern Lakes.

The Giant Slalom course extends the length of the mountain running from the top of the Hurdle to the Rocky Gully T-Bar. The Slalom is held on Race Arena which is located on the skiers left side of the Rocky Gully T-Bar and is noted for its pitch and undulating terrain.

## Winter Games Media & Social Media

Welcome to Winter Games NZ. Our media team's focus is on you, our athletes. You are an integral part of everything we do, and we are keen to work with you on media opportunities and sharing the content from the Games.

Our social media channels will be where you find the latest videos, images, news and results from our media team. We focus on getting the content out as quickly as possible and showcasing you all to the world!

We would love to spread your content as well, so please tag us on all social media channels so we can find it! #WGNZ & @WinterGamesNZ

We will have images for you to share, all we ask is for you to use our hashtag and our social handle to tag us in. We will be sending more info out about this leading up to the Games.

## Team and Personal Media

If you are planning to bring a photographer, videographer or media team with you or know of

someone wishing to cover the events, please note that they need to be accredited by the Winter Games NZ Media team.

Media accreditation will open in July on our website, but feel free to put them in touch with our Communications & Media Manager Britt Hawes [britt@wintergamesnz.kiwi](mailto:britt@wintergamesnz.kiwi) for more information.

## Sustainability

As we gear up for the 2024 Winter Games NZ, let's band together and make sustainability a priority! We're kindly asking all athletes and teams to BYO keep cups for those much-needed coffees and to opt for reusable drink bottles, perfect for refilling at water stations provided by our resort partners. When it comes to munchies on the mountain, let's go waste-free whenever we can. And hey, why not carpool with your fellow athletes? Less emissions, plus a primo parking spot – it's a win-win! Thinking about transport? If we get enough interest, we will work with our resort partners to try and organise transport up and down the mountain during the event.

Thanks a bunch for being sustainability champs during Winter Games NZ! Your efforts mean the world to us, and together, we're paving the way for greener mountains and happier environments for generations to come.

## Liability & Insurance

All athletes, officials and members of the National Associations who attend and participate in the event do so at their own risk. Winter Games NZ sponsors and suppliers, their agents, employees and volunteers will not be responsible for any losses or injuries incurred or suffered by athletes, officials or other people in conjunction with the organising or staging of the event. Public Liability Insurance of CHF 3 million is in place for the period of the event.

If you are injured in New Zealand (including while competing), you may need the assistance of the Accident Compensation Corporation (ACC) which helps to pay for your care your treatment and recovery while you are in New Zealand. ACC will not cover any medical or related costs after you leave New Zealand therefore you still need to arrange your own travel and medical insurance. Surcharges will apply in most New Zealand medical facilities for visitors.

## Visas

New Zealand has a special policy for athletes, coaches, administrators, officials and support staff visiting the country to participate in sporting events. Please check with Immigration NZ to **find** out if visitors from your country require a visitor visa to enter New Zealand. Information and application forms for visitor visas are available on [www.immigration.govt.nz](http://www.immigration.govt.nz) or from New Zealand and Australian Consulates, Embassies or High commissions.
